## WHY YOU NEED US

The Federal Highway Administration (FHWA) of the United States Department of Transportation, requires that all operators of commercial motor vehicles conduct screenings for drug and alcohol use and establish an Anti-Drug and Alcohol Misuse Prevention Program.

## OUR SERVICES

Nationwide Drug Testing (NDT) provides your company with the tools and services you need to ensure complete compliance with federal mandates. Beyond basic testing services, NDT provides comprehensive programming services and program management.

### PROGRAMMING SERVICES

- ⇒ NDT can provide a sample substance abuse policy and assist in the development of your organization's custom Drug Policy Statement (DPS);
- ⇒ Provide custom tailored drug and alcohol testing plan based on your organization's DPS;
- ⇒ Organize participant and supervisory training as required by the Employee Assistance Program of the federal mandate;
- ⇒ Provide ongoing support with DPS review and modifications.

### TESTING SERVICES

- ⇒ Specimen collection services at an NDT assigned collection site;
- ⇒ The services of a trained Collection Site Technician (CST) who will establish specimen security and initiate all prescribed documentation;
- ⇒ Testing kits which include screening and confirmatory testing as required, performed by a National Institute on Drug Abuse certified laboratory;
- ⇒ Medical Review Officer (MRO) services that include investigation of all positive test results;
- ⇒ Prompt and secure results.

### PROGRAM MANAGEMENT

- ⇒ Maintenance of all records for the required period;
- ⇒ Random sampling management;
- ⇒ Information updates with respect to federal and state mandates for substance abuse management and testing requirements;
- ⇒ All required Statistical Summaries;
- ⇒ All blind Sample Submissions and other quality control measures to maintain the effectiveness and integrity of the DPS.

## ADDITIONAL SERVICES

— comprehensive rehabilitation programs — alternate site collection available — non-standard substance testing
